*Weekly Memory Verse: "But Jesus said to him, "no one after putting his hand to the plow and looking back is fit for the Kingdom of God." Luke 9:62*

What is it like to display a competent faith today as God has empowered us, given us authority, and entrusted us with a mission?

How are servant's hearts revealed in the way that we treat children? How easy is it to fight to be least?

What tribes have you joined that separate you from others in a time when we are called to share with everyone?

How are you tempted to be angry ("shall we call down fire") instead of compassionate on those who reject the message of Christ?

Facing our idols can be the most difficult part of discipleship. What would you not be willing to "give up" if God asked you to?

Who do you say that Jesus is? Does your life demonstrate that confession?
