**Discussion Questions**

Think about the first 8 days of Jesus life in human flesh. How different was it from the eternity of His life in heaven? What first experiences in human flesh would be the most difficult?

When you think about our lives we will leave the flesh and join heaven in eternity. How does that give you hope about your current situation? (Read II Cor 4:16-18)

In the B'rit Milah (Covenant Circumcision) Jesus is brought into the community of the transgressors. How does He show us on earth how to live in a heavenly community?

When you think about the 5 shekel redemption price for the firstborn how does that compare with the price Jesus paid to redeem you? (read I Peter 1:17-19)

How does Jesus birth in the flesh affect how He sees you as He looks at His creation? (Read Hebrews 4:15-16)
