

**Haggai: Thy Kingdom Come  
Pt 3: Work, For I Am With You  
Haggai 2:10-19**

The Problem: v.10-13

- \_\_\_\_\_ v.12
- \_\_\_\_\_ v.13

Past \_\_\_\_\_: v.14-17

A New \_\_\_\_\_ v. 18-19

What can we learn –

- \_\_\_\_\_ Spirituality
- Sin \_\_\_\_\_ from the start I Cor 15:33
- God is more interested in what He is doing \_\_\_\_\_ you than in what you are doing \_\_\_\_\_ Him
- Keep \_\_\_\_\_ Phil 3:13-14

**Discussion Questions**

***Weekly Memory Verse: “Do not be deceived, bad company corrupts good morals” I Cor 15:33***

How easy is it to pick up sinful habits and behaviors in the world around you? How easy is it to begin to compromise with a fallen world?

Have you ever had a time in your life where your work for Christ or even your routine in Christ became a substitute for your relationship “with” Christ? How does this happen?

Is it possible, when we do not get our hearts right, to actually damage the work of Christ while we are building our Temple?

Is it possible that our attention to being “in” church may distract from the act of being “the” church?

In what ways have you seen or do you see a sinful world encroaching on your spiritual values and holiness of heart?

How is God “in” us a prerequisite for God working “through” us?

Are there places where you need to repent so that you can move forward to what God wants to do in your life?
