**The Gospel According to Luke

Luke 7:29-50**

Weekly Memory Verse: "Yet wisdom is vindicated by all her children." Luke 7:35

Read Luke 6:20-27. How do you see the character of these juxtaposed heart conditions (blessed vs woe) played out in Simon's dinner party?

Thinking about your own posture in prayer, worship, study, and devotion do you look more like Simon or like the woman?

What kind of spectacles do we put on to show off for the crowd? How does this relate to Jesus' teaching in Luke 11:37-44? (look at verse 43)

How does Simon's lack of hospitality demonstrate the condition of his heart? V.36

Discuss the idea that we know more about Simon in this story than we do about the woman. Like the centurion's slave and the widow's son, she melts into the background of the story. Why?

How does your love for Jesus show in the way you stand at His feet? Read v.37-38. I am not asking about emotional displays but I am asking about love demonstrated.
