Weekly Memory Verse: "So take care how you listen; for whoever has, to him more shall be given; and whoever does not have, even what he thinks he has shall be taken away from him." Luke 8:18

How does the seed of God become the shekinah glory in our lives? Read Luke 8:5 and Matthew 5:14-16.

How do spiritual disciplines like solitude, Sabbath, prayer, fasting, and textual study put us in proximity with God so that His presence can transform us?

How would you cultivate the soil of your heart (taking care how you listen) so as to make it fertile ground for the seed of God's word?

How do we nurture the root of the seed in our lives so that it is able to keep growing in times of trouble?

What weeds (of the world) are growing in your life that are choking out the seed of God's word?

What spiritual junk food has taken the place of the real meat and potatoes of God's word in your life? Read Hebrews 5:11-14
