**Discussion Questions**

How does seeing the sovereign plan of God from Isaiah 9:2 play out in a little village called Nazareth help you with faith today?

What do you think life was like for Mary and for Joseph when life got interrupted by the plans of God?

Does it help you to know that like Mary “the Lord is with you” and His word is “do not be afraid”?

Of all the titles and descriptions of Jesus in verse 31-33 which gives you the most hope for the future?

How might you live out the truth “nothing is impossible with God” in your own life?

Has your life ever been interrupted? How has God been with you?
