Weekly Memory Verse: "Whoever does not carry his own cross and come after me cannot be My disciple." Luke 14:27

Is it more important biblically to build a large church or a deep church (disciples)? How does each contribute to or take from the other?

We are called into a new Kingdom and a new family. Read Colossians 3. How does Paul expand on this theme as part of discipleship?

How is it different to think about dying daily (carrying our cross daily) and dying once (a transactional view of salvation)?

What remains on the ledger sheet of your life that has not been given over to the ownership of God? What are you unwilling to give up (good things or bad things – even parts of our personality)? Read Hebrews 12:1-3. What is the writer saying?

In counting the cost Jesus puts the hard parts of following in front of the benefits. Why do you think He does that? Read Luke 9:57-62.

What are the costs of not following? How do they compare with the "temporary light afflictions" of Paul's following?
