The Kingdom of Light and Life
Do Not Believe Every Spirit
1 John 4:1-6

Weekly Memory Verse: "You are from God, little children, and have overcome them; because greater is He who is in you than he who is in the world." 1 John 4:4

Read through the texts of warning about false teachers. Why is it important for you to know deeply the Word of God and to hide it in your heart?

Read 2 Timothy 4:1-8. Why is it so easy for Christians today to be led astray by false teachers?

Think through the tests in scripture that the apostles have given to test the teachers in our lives. How do you apply them to the things you see and hear in the world around you? (social media, politics, sermons etc.)

Read and memorize verse 4. What do you think about Daniel Akins' assertion "We have a champion, a victor, a source of power that all these enemies from hell cannot overcome."

Who are you listening to? What are you training for? How are you prepared to face the false teachers and teachings in the church today?

How would you respond to the following? "We make a mistake when we dumb down the message instead of challenging people to grow."
