Satan Entered Into Judas  
Luke 22:1-13**

*Weekly Memory Verse: "And satan entered into Judas who was called Iscariot, belonging to the number of the twelve." Luke 22:3*

Judas was a disciple of Jesus who had no marks against his discipleship (at least that we know). How can a crossroads moment like the taking of a small silver coin lead to such disastrous results?

Judas decides to betray Jesus right after his confrontation with the Temple leaders and Jesus' discussion of the fall of the Temple. How might these conversations have ignited the fuel of rebellion that was in Judas' heart?

When you think about the whispers of satan to Eve in the garden how might they be similar to those he whispered in Judas' ear? What might he whisper in your ear?

Read James 1:13-15. How is the path of sin in our lives a seed that bears fruit to destruction?

Read I Cor 10:12-13. How did Jesus offer Judas an escape route even in the last moments?

We know that if Judas had chosen another path one of the hundreds of other disciples would have taken his place. How are the river of God's sovereignty (Jesus betrayal) and man's free will (Judas choice) connected in this story?
