My Response:

**The Gospel According to Luke
The Image We Bear
Luke 20:19-26**

Weekly Memory Verse: "And He said to them, "Then render to Caesar the things that are Caesar's, and to God the things that are God's." Luke 20:25

How does the prophetic word of the refiner's fire and fullers' soap fit with giving to God what is God's? How is He refining us to be His and His alone?

It's easy to get caught up in Jesus' clever answer to the men who were trying to trap Him and miss the point. What point is Jesus making about earthly temporal things and Kingdom things?

Is it possible to get so caught up in the politics of the day and how Christians "should" respond that we miss the opportunity to live out the image of God stamped in us?

What would you do if faced with the dilemma the early church faced: Put incense on the altar or you cannot sell your goods in the marketplace and give tribute to acknowledge Caesar or die?

How is Jesus making the profound point in verse 26 that no matter what the coin says "Caesar is not God!"?

What parts of your life still need to be given to God who has stamped His image and written His inscription on them?
