Read Psalm 118:19-29. What do you think Jesus disciples are thinking when they raise this psalm in declaration of Jesus coming to Jerusalem?

What does it tell you about the heart of God when we see Jesus weeping here and at the tomb of Lazarus when He does not weep throughout the ordeal of the cross?

What terms does Jesus lay out for rebels to return home? Is it simply an acknowledgment of their rightful king or is it more? Read John 15.

They did not recognize the time of their visitation. Do we recognize the time of ours (the church age) and what God requires of us during this time?

What does it mean to you that we live in this extended year of Jubilee?
