*Weekly Memory Verse: When the Lord saw her, He felt compassion for her, and said to her "Do not weep". Luke 7:13*

Read Luke 4:14-27. How is Jesus message to the people of Nazareth a prelude to what He does in Capernaum and Nain?

How is Jesus' compassion shown in the first story of the Centurion's servant?

How is Jesus' compassion shown in the second story of the widow of Nain?

Notice from your reading of Luke 4 that Jesus is "amazed" in Nazareth as well. How are these events polar opposites?

Read Colossians 3:1-4 and Philippians 1:21-24. How does Paul view the importance of earthly healing?

Read Revelation 21. How is the promise of God of eternal healing far more grand than even a man being raised from the dead?
