My Response:

**The Gospel According to Luke
You Give Them Something
Luke 9:10-17**

Weekly Memory Verse: "You give them something to eat..." Luke 9:13a

God has invested in us power, authority and a mission through His indwelling Holy Spirit. What responsibility do we have? Read Matthew 25.

What accounting will you have to give to Jesus for the time spent on the mission He has given you? (your life)

How could the story have been different if even one of the disciples had acted in faith to apply what they were supposed to learn by not taking staff or tunic with them?

How hard would it have been for the hungry disciples to give away the little food they had found for themselves in a little boy's lunch? What lesson do you think they learned?

How is Jesus' blessing "Blessed are you God King of the universe who brings forth bread from the earth" a faith blessing? How is it the same or different from the blessing we give over meals?
